DEVELOPMENT DEPARTMENT.

To A.S.

In G.O.No.326, Finance, dated 5-4-1948 the Government have accepted the recommendation of the Re-organisation and Retrenchment Committee that all touring non-gazetted officers now having peons should have only one peon each. The Junior Inspectors of Co-operative Societies doing execution work perform all the functions of a sale officer connected with the attachment and sale of defaulters' properties. They are now having two peons each. The need for the two peons was examined and accepted by the Government as early as in 1932. In paragraph 3 of his letter at pp.1-2 c.f. the Registrar has given reasons in justification of the continuance of the two peons as against one peon recommended by the R.R. Committee for each non-gazetted touring officer. The Registrar further states that the cost of the staff employed in execution work is met from the fees collected and that the number of sale officers and peons employed, depends upon the number of execution petitions and the fees collected in respect of them. The Registrar has therefore proposed that the sale officers may be permitted to have two peons each. As the two peons act as "Process servers" and not merely as peons this department has supported the Registrar's proposal. Finance department also has agreed with this department. That department has suggested circulation to H.M.(Fin.). The file may accordingly be circulated to H.M(L.A.) and H.M.(Fin.), for orders whether the Registrar's proposal that each of the sale officers may continue to have two peons as at present, may be accepted.
